

Video Storytelling Specialist

These statements describe our team and the people who fit best in our culture:

- You love Jesus and have a vibrant relationship with him!
- You are passionate about being a part of the Great Commission among the unreached!
- You are driven to make an eternal difference with your life!
- You are self-motivated and sacrifice to do your best work for Him!
- You are a team player, able to joyfully submit to the strengths of others!
- You are comfortably uncomfortable with putting yourself in a position of total dependence on God.

We are looking for a video storytelling & creative content teammate! Does this describe you?

- You enjoy story boarding, planning all essential elements that are needed to tell a story and help others to find their part in it!
- You are ready to travel overseas to our partners twice a year in various nations to capture content and excavate stories of God at work.
- You are creative, able to envision and articulate stories and concepts with clarity!
- You are self-motivated, able to hold yourself accountable to deadlines and accomplish the highest priorities entrusted to you.
- You are skilled and are eager to grow your skills in the area of video production.
- You are a learner, willing to grow your understanding of global missions and how to invite others along through video media outlets.

This team member will:

- Manage video creation and editing for each domain's digital needs including, websites, newsletters, social media, etc.
- Assist in the execution of all four domain's audio and video productions; scheduling and recording of product videography, events, interviews, B-roll, and other relevant footage.
- Develop compelling, professional visual design and storytelling to communicate the specific goals.
- Lead the conducting of partner interviews.

- Provide input on strategy and innovative message delivery for distinct audiences.
- Provide storyboarding and storytelling expertise to guide video direction, vision, and output.
- Advise other departments/ministry areas on needs associated with proposed digital projects.

Experience and Qualifications:

- Must have a strong eye for composition and media production that are modern/current and could blend with the Activate brand.
- Knowledge in or have a growing knowledge of professional audio/video staging techniques and equipment.
- Knowledge in or have a growing knowledge of professional audio/video editing and post-production procedures, techniques, and standards.
- Knowledge of audio/video storage and archiving procedures.
- Ability to work on a team, collaborating effectively with teammates in both content and technical development.
- Skill in organizing resources and establishing priorities, managing multiple deadlines simultaneously.
- Ability to create, compose, and edit written and video materials.

For Next Steps:
